

Pepsi Little People's Golf Championships SCHOLARSHIP PROGRAM

The Little People's Mission

The Little People's Golf Championships Association (LPGCA) is a 501 (c) (3) not-for-profit organization dedicated to providing a positive competitive environment for junior golfers and to assisting in the growth and development of every young man or woman who seeks a college scholarship through junior golf competition.

The Purpose of the Pepsi Little People's Scholarship Program

The Little People's Golf Championships Association's Scholarship Program provides the highest quality golf opportunities for young men and women. The Association believes that young men and women should have the opportunity to play in the Pepsi Little People's Golf Championships (PLPGC) regardless of finances. The Scholarship Program was established to provide financial assistance to deserving young men and women who have exhibited an interest in golf and golf competition. Scholarships are awarded on the basis of a complete profile, including academic achievement, extra-curricular activities, civic or volunteer programs and financial need. The LPGCA provides scholarships of up to \$1000 to the families of those juniors who wish to compete but who are limited due to family finances. These scholarships may be used for expenses related to the PLPGC in the year they are given and will be paid as a reimbursement for these expenses. Reimbursement checks will be issued after the receipt of the reimbursement form with original receipts, and will only be issued for expenses for the player, and not accompanying family or friends. The LPGCA reserves the right to grant additional monies based on special family circumstances.

At this time the LPGCA cannot accept applications from players living outside of the United States.
